Kashrut Certificate for the year 5775-77/ 2015-2017

I hereby certify that I have inspected the facility of

Elefant Chemische Produkte GmbH
Essener Straße 5
D-71332 Waiblingen

upon their request, and have convinced myself that in the production process for the manufacture of SUGAR-DISSOLVING-OIL no material is used which would not be in compliance with Jewish rules for foodstuffs.

Therefore, this SUGAR-DISSOLVING-OIL can be used in connection with kosher food without any doubts whatsoever.

Consequently, I herewith confirm that the added materials were also inspected by myself.

The manufacturing process is fully automatic, i.e. does not come into contact with humans. The automatic packing of the goods is effected without glue or gum.

I, therefore, confirm that the OIL manufactured by this company can be used for kosher food without any restrictions.

This certificate is valid until Passover 5777/2017 in the USA.
